

# Quoted Online Booking

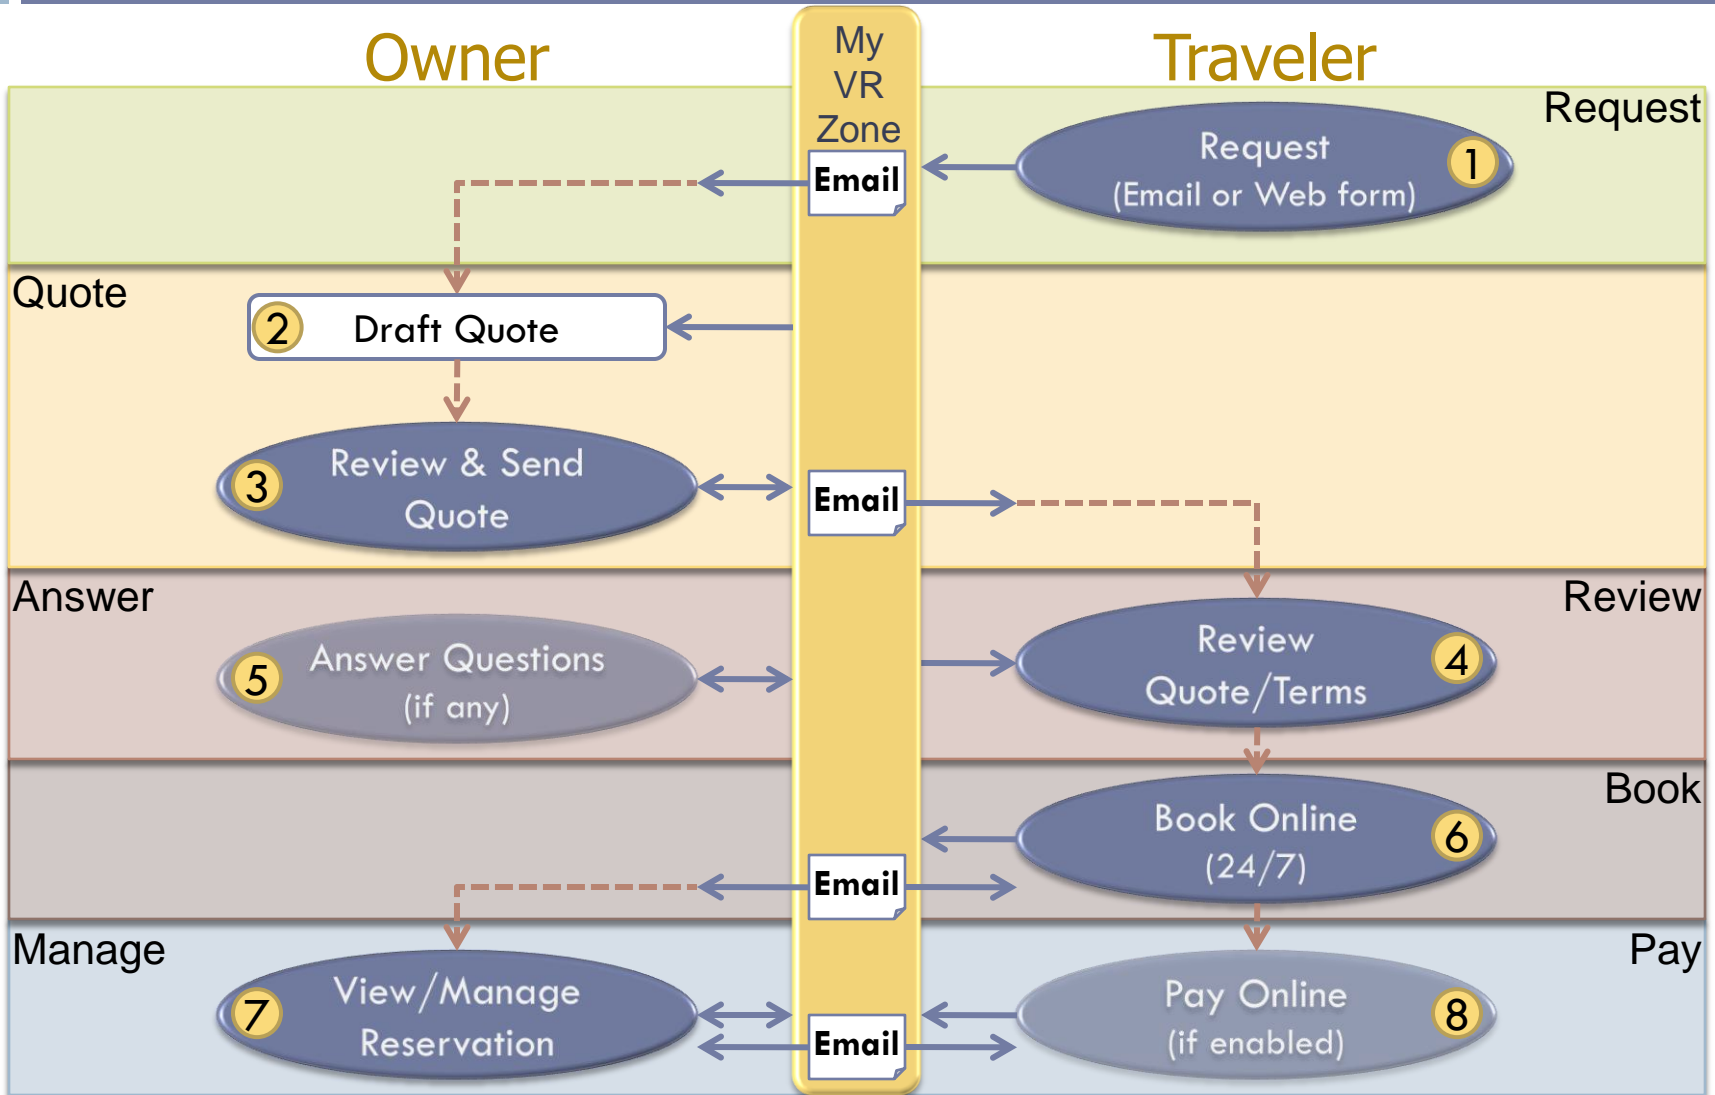

***Online booking that gives the owner the choice***

For those that like the idea of online booking but want more control over the dates, rates and people that book.

Do this without having to continually reject unsuitable reservations and disappoint the Traveler.

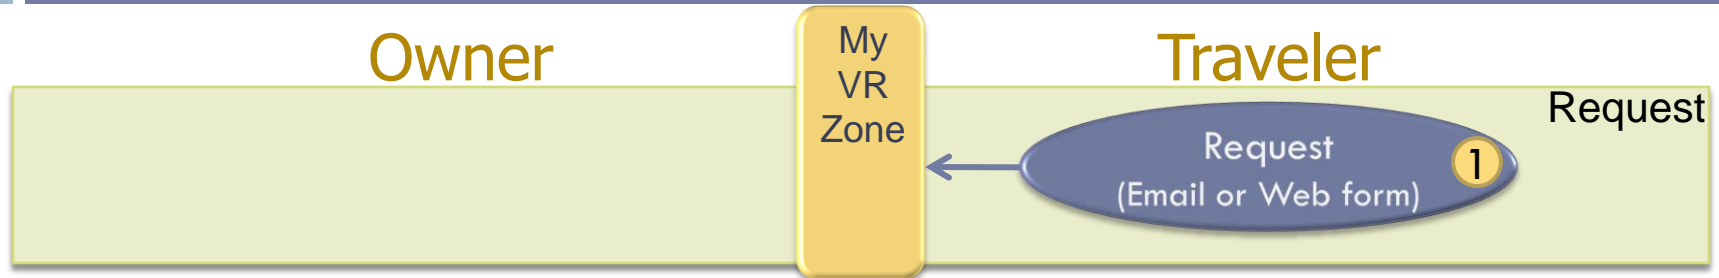

# Quoted Online Booking™

## Overview of Process

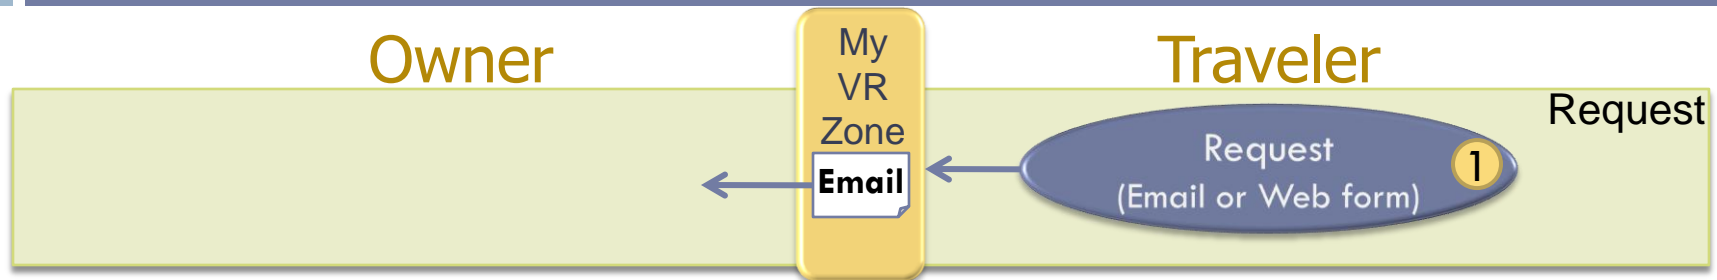

# Quoted Online Booking™

## Request

- Emails sent from listing sites are forwarded to your MyVRZone account
- Form is provided for use on your own website

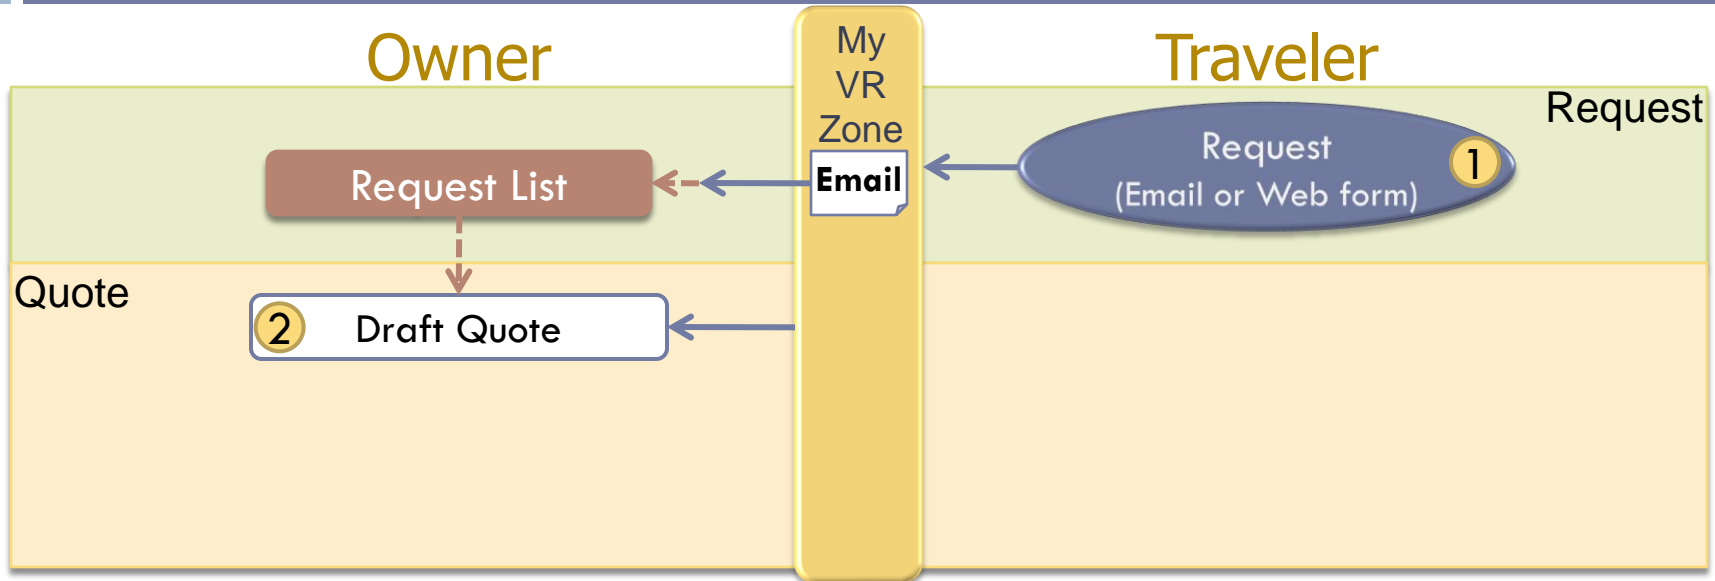

# Quoted Online Booking™ Request

- Emails are analyzed for request information

# Quoted Online Booking™ Summary

## Receive Email or Web Form Inquiries

Web form is provided for your own site.  
Emails scanned automatically so you type  
less.

## Review inquiry and send Quote (or not)

Answer any traveler questions.  
Include multiple quotes, properties, currencies.

## If Traveler decides to book then they do it all online

Only the quotes that you've sent them.  
They can pay online too, right there and then  
24/7 - on the Travelers schedule.

## Receive a notification that the Booking was made

It's already in the system.  
Integrated online payments appear there too.  
No further typing required.
